

Alicia Smith

- Messianic Psalmist
- Worship Leader
- Recording Artist
- Hebraic Roots Teacher

Alicia Smith is a Spirit filled Messianic Jewish singer/songwriter with a love for G-d and sharing His Word and the music that He has blessed her with. Born Alicia Rivera on December 10, 1956 in San Jose, California, she learned to love music at an early age. Having been born without a right hip-socket due to a birth defect, Alicia's early years were difficult because of surgical corrections and arthritic pain. Due to physical limitations, Alicia was drawn to a form of expression that knew no such limitations: *Music*. Her gifting in this area brought much recognition, but as she states, "What is it all for?"

After "wandering in the desert" for a season, the L-rd revealed Himself to Alicia in a profound way and called this Prodigal Daughter of Zion into an intimate relationship with her Messiah, Yeshua (Jesus) and to fulfill the calling of her Levitical heritage. She was now appointed to sing for the King.

Since that day in October of 1995, G-d has been "sitting as a refiner and purifier of silver" in her life and has poured out songs for His worship and praise numbering over 100. Alicia has been the Worship Leader at Temple Shalom Yisrael Messianic Jewish Congregation for five years and now through Humble Heart Ministries, shares teaching, testimony and the music which the L-rd has given her in churches, messianic congregations and fellowships across the nation. Her heart's desire is that all would come into a deep and intimate relationship with the G-d of Abraham, Isaac and Jacob through the Hope of Israel, Messiah Yeshua and know the love that G-d has for His people.

Alicia has recorded two solo CD's to date: "*Humble Heart*" and "*Shabbat – A Taste of Heaven*".

Alicia recently attended the Gospel Music Association's "Music In The Rockies" and was awarded an official endorsement from CMP – Christian Music Presenters and has appeared in many venues across the nation as well as television, radio, the "On The Waterfront" festival in Rockford, IL and at the "Pageant of Peace" Christmas concert on the Ellipse in front of the White House at Washington, DC.

Alicia resides northwest of Chicago with her husband and son.
