**Reclaiming, Preserving and Presenting Biblical,  
Davidic Worship In The Dance and Pageantry Arts.**

***Shekhina!*** Is a Hebrew word meaning “The glory of G-d’s presence in our midst”. We are a worship team of dancers, intercessors and spiritual warriors who use the pageantry arts to bear witness to “G-d’s presence in the praises of His people. As visual ministers of the Gospel, we use Messianic Jewish dance, flags, tambourines, hoops, streamers and more to bring glory to and lift up the name of G-d and Messiah Yeshua (Jesus).

***Shekhina!*** Is based in the Rockford and Stateline area of Illinois. We have ministered in local churches as well as participate in parades and special events such as the On The Waterfront festival and the National Day of Prayer in the Rockford Metro Center. We would love to come and visit your congregation or fellowship and worship - with you - the ***REAL*** L-rd of the Dance!
