Read Policies and Disclosures & Sign Below:**1. Application Policies:**

Due to the fact that we are dealing with the hearts of people, the School can, at times, be very intense. Personal responses to teaching and small group interaction may include, but are certainly not limited to, some of the following: **expression of anger, prejudices, resentments, apprehension, anxiety, insomnia, depression, dissociation*. Because of time restraints, all of your personal issues will not be dealt with during the course of the School. This is a lifelong process. However, we do give you the tools to pursue further healing, and you may want to pursue further ministry once the School is complete. If you feel there are already significant life issues that need to be addressed, ministry or counseling prior to your enrollment in the School is advisable and always beneficial.

If you have been seeing a counselor/therapist, it is our policy that you discuss the School with them and receive their approval by filling in this information:

Having accepted the School enrollment information and requirements outlined online, I respectfully submit my application. I agree to respectfully abide by the determination of the Freedom House facilitator as to the suitability of my attendance at this time. I agree to indemnify and hold Elijah House and Freedom House and their staff and volunteers harmless for any of my personal responses to the teachings and small group ministry times during the School. I also agree to indemnify and hold Elijah House and Freedom House harmless for any costs in time, travel, accommodations, or other incidentals, should the School be cancelled, my acceptance be delayed, or I am asked to discontinue Course 202 School to seek ministry or counseling before continuing at another time.
